CAREERS DAY

Last week Orla & Chloe represented Farr & Pursey at a local secondary school careers day. Promoting the veterinary industry is key in sustaining the future service for our beloved horses and pets. The team not only discussed becoming a veterinary surgeon but the many other roles within the profession such as veterinary nursing, SQPs (Suitably Qualified Person), receptionist, clinical aids and practice management.

A veterinary practice relies not only on their fantastic vets treating the patients but a whole team of people that may not always be visible but are vital in maintaining the best level of care and efficient service to our patients and owners. We hope that the day encouraged students to consider a career in the veterinary world.

F&P BIRTHDAY

We are excited to celebrate our 8th Birthday this month. Thank you to everyone who has supported us and helped make the practice what it is today. We would not be where we are without all our lovely clients and we cannot thank you enough for your ongoing support. We do this for you and we love what we do.

To say thank you, we will be holding a giveaway competition. Keep an eye on our social media for more details.

PRACTICE NEWS

We are pleased to announce that Nikki & Lisa will be representing Farr & Pursey at an upcoming BEVA training event for Veterinary Professionals in March. Nikki & Lisa will be discussing the importance of running weight loss clinics in veterinary practices and providing a comprehensive owner support network. Our registered nurse Lisa runs a very successful weight clinic and worming package giving clients the appropriate advice and support. Keep an eye out for further details and support materials in managing your horse's weight. Please contact the office for further details and costs on the worming package or weight clinic appointments with

Lisa.
