UPCOMING VIRTUAL CLIENT EVENING

THURSDAY 10TH MARCH 7.30PM

Join us for a FREE webinar!

The evening will cover the following topics, including a Q&A session:

- What connects diet, metabolic syndrome and laminitis
- How most cases of laminitis can easily be predicted
- New thinking on preventing laminitis in high risk horses
- What to do if you have a horse you suspect might have metabolic syndrome.

It is easy to join, simply use the link below: <https://bit.ly/FP-EMS> We look forward to you joining us on the evening!

F&P GIVEAWAY

Thank you to everyone who entered our birthday giveaway which we had a great response to. We loved seeing your photos and reading the lovely comments made. We would just like to thank you all again for your ongoing support of the Practice over the years and for keeping us all smiling and for providing us with endless cups of tea!

EQUINE FLU AWARENESS WEEK

Equine Flu Awareness Week will be running from 7th-13th March to raise awareness of the significance of equine influenza and the importance of vaccination for all horses. Keep an eye out across our Facebook and Instagram accounts for more information. Did you know that Flu can travel up to 5km? Help us to raise awareness and increase the herd immunity. Prevention is better than cure.
