JULY 2024

F&P WORMING PACKAGE

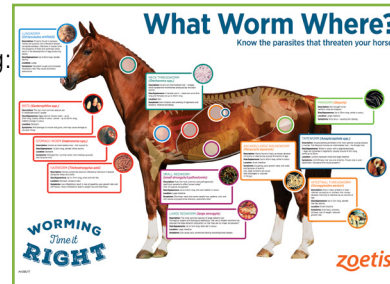

There will be a price increase from the 1st July 2024 on the practice worming package. We continually try to keep our prices as low as possible however due to ongoing price rises across testing kits and lab fee's we have had to impliment a small increase.

WHATS INCLUDED

The package lasts for 1 year, is £99 and includes the following:

- 3 faecal egg counts (FEC) during the grazing season (i.e Mar-Oct)
- 1 Retest of a FEC if resistance is suspected
- 1 Tapeworm Saliva Test
- 1 Small Redworm Blood Test
- Detailed worming advice on all aspects including the recommended treatments (the actual wormers are at an additional cost)
- Use of the weigh bridge and body condition scoring on one visit during the year (other visits can be arranged during the year but are subject to an additional visit fee).
- Email reminders when tests are due

PLEASE CONTACT THE OFFICE IF YOU HAVE ANY FURTHER QUESTIONS

ALTERNATIVE PACKAGE

We do offer an alternative package for £120 that includes a tapeworm blood test instead of a saliva kit for those individuals needing this option.

INDIVIDUAL TESTING

For those clients that prefer to manage worming themselves all tests can be completed individually (worm egg counts, tapeworm saliva kits, redworm bloods & tapeworm bloods) results and advice will be given however no reminders will be sent out.

We hold a range of wormers in the practice along with the saliva test kits and these can be purchased via our website on <https://www.farrandpursey.com> or via the office on 01442 851921.

CLIENT EVENINGS

We would like to thank everybody that attended our latest client evening. The turn out was fantastic and we hope you all enjoyed the various topics and stations across the evening. We would love to hear what topics you would be like to be a focus on our future client events.
