

NEWSLETTER

SEPTEMBER 2024

UPCOMING CLIENT EVENING EMILY'S ADVENTURES IN THE GAMBIA WEDNESDAY 11TH SEPTEMBER AT 7PM

SO WHAT'S GOING ON

- All about The Gambia Horse and Donkey Trust (GHDT)
- Volunteering as an equine vet and the differences between UK and The Gambia
 - Other animals at the GHDT

Donations:

We'd love donations in the form of pony and cob sized headcollars, lead ropes, fly fringes and fleece/gamgee/sheepskin sleeves (these will be used as padding for harnesses). Emily is making arrangements for the donations received to be gifted to The Gambia Horse & Donkey Trust. Please make sure that any donations are in good condition.

AUDEVARD SUPPLEMENT RANGE

We have a wide range of Audevard supplements available from the practice with a supply of sample packs for clients that would be interested in a trial and to check palatability for your horse. Please contact the office if you would like further details on the supplement range available.

Full technical information sheets for all the products our available.

We would be interested in your feedback if there are any particular products that you would like to see available through our online shop.

EKYFLEX ARTHRO EVO - NOW WITH BOSWELLIA!!

If you wish to promote flexibility and meet your horse's increased joint requirements, a nutritional supplement may be of interest.

A rapidly effective blend of innovative 100% plant origin ingredients, helps to provide triple joint protection to cartilage, synovial fluid and subchondral bone.

Daily comfort for horses whether they are working or not, and helps maintain good flexibility.

Using the potent anti-inflammatory and antioxidant properties of Boswellia Serrata can help to support and maintain optimum performance and comfort in horses and ponies.
