PRACTICE UPDATES

We are pleased to announce that we have a new member joining our amazing admin team. Suzi is joining the practice as a full time member of the admin team alongside Laura & Tracey.

Suzi has many years' experience with horses and is going to be a great addition to our fantastic team. We look forward to you all speaking with Suzi and having the chance to meet her when attending the practice.

Some of you may have noticed we have recently updated our practice car fleet. Keeping our vets safe and offering a reliable and efficient service to our clients are our top priorities in order to care for your horses and our new fleet will enable us to do this.

MEDICATION ORDERS

Is your horse on long-term medication? Have you got enough to last you over the Christmas period?

With Christmas fast approaching, don't forget to order your horse's medication to cover the holidays. We don't want anyone being accidentally caught out!

CHRISTMAS HOURS

Please be aware that the practice will be carrying out emergency visits and essential visits that have already been confirmed, from 1pm on Tuesday 24th December 2024 to 8.30am on Thursday 2nd January 2025.

There will be a 24hr vet on call over the Christmas and New Year period. If you require any assistance please contact the main practice number on 01442 851921 rather than the vets directly as the vets will be working on a rota to enjoy a well deserved break over the festive period.
